

GARNER'S GREAT DANES

STUD AGREEMENT

As the owners of said male Great Dane:

AKC registration name and number _____

We do hereby agree to have him sire a litter with said female Great Dane:

AKC registration name and number _____

As part of this agreement we will approve registration for a litter with the birthdate between the ranges of _____ dates with the American Kennel Club and/or possibly the Continental Kennel Club. Upon receiving photos and updates of a healthy litter we agree to give the sires registration number approval to the owners _____ & _____ and the organization(s) approval to register the litter by email. We have agreed on the amount of \$_____ for the stud fee which has been paid in full upon leaving our home at time of mating. Occasionally Pick of Litter is an option and will be handwritten and signed on this agreement if Garners Great Danes is interested in a puppy.

If proof is given within 45 days of mating that _____ female Great Dane did not get pregnant, we ask for proof from a licensed veterinarian and at that time will gladly transfer the stud fee to the next time she is in season within 9 months of this agreement. If owners of female do not want to try again no monetary funds will be refunded as we have done our part and spent our time that is very valuable to us and our proven male stud.
